

# MTPReel™

## YASKAWA

sumcab  
ROBOTICS

The automatic cable retraction system  
for improved workplace safety

Sold exclusively through  
YASKAWA Europe GmbH  
**YASKAWA**

### Time saving

Time is an essential success factor within the industrial sector and the MTPReel helps to save time due to its intuitive operation. The rapid but careful rewinding of the connector cable saves time, which your employees can dedicate to other things.

### Operating error avoidance

Using the MTPReel will ensure that the operating device is assigned unambiguously to the operator. Lengthy searches for the correct plug-in piece and potential operating errors due to incorrect combinations are avoided.

### Plant safety optimisation

Properly storing the connector cable in the MTPReel protects it from dirt and accidental damage, which significantly increases its service life and improves safety within the operational facility.

### Patented and tested system – made in Italy

Our partner company in Italy manufactures the MTPReel to the highest quality standards.

## Safety First

Hazardous situations, such as trip hazards or cable damage, are now a thing of the past.

## Technical specifications

 Robot control	 Box size	 Extension length	 Cabinet connection	 Dimensions (mm)	 Weight (kg)
NX100, DX100, DX200, FS100	Medium	10 m / 15m	2,5 m	322x219x276	6kg
YRC1000	Medium	10 m	2,5 m	322x219x276	6kg
	Large	20 m	2,5 m	450x225x384	9kg

Additional housing sizes, cable lengths, and control generations available upon request.

## Medium

The **MTPReel** is available for the Smart Pendant, NX 100, YRC 1000, DX 100, DX 200 und FS 100 handheld terminal.

Smart Pendant NX 100 YRC 1000 DX 100 DX 200 FS 100

### + Extras

- Housing made of shock-resistant material
- Stable, rotatable mounting bracket
- Integrated brake module for a careful cable retraction
- Spring loaded cable retraction system
- Detachable automatic cable release and retraction brake every 50 cm
- Rotating contact transmission system for secure data transmission

### + Accessories

#### Installation element

- Profile tube stands (rigid or rotatable)
- Control cabinet fixing plates, aluminium profiles or fence elements

#### Connection and extension cables

- 10 m and 20 m connection cables available for all MTPReels
- 10 m, 15 m and 20 m extension cables available for all MTPReels
